HAVE YOU A BAD BACK?

If You Have, the Statement of This Paris Resident Will Interest You.

Does your back ache, night and day? Hinder work; destroy your rest? Does it stab you through and through? When you stoop or lift or bend? Then your kidneys may be weak. Often backache is the clue. Just to give you further proof. The kidney action may be wrong. If attention is not paid. More distress will soon appear. Headaches, dizzy spells and nerves. Uric acid and its ills. Make the burden worse and worse. Liniments and plasters can't reach the inward cause at all. Help the kidneys—use the pills. Paris folks have tried and proved. What they say you can believe. Read this Paris woman's account. See her, ask her, if you doubt.

Mrs. J. C. Feltman, South Pleasant street, Paris, says: "A few years ago I was suffering with kidney complaint. My back was the worst source of pain and ached dreadfully. I found it difficult to bend or stoop. I had often read about Doan's Kidney Pills and I used a box. They cured me of the attack. Whenever I have had any return symptoms, I have used Doan's Kidney Pills, procured from Oberdorfer's Drug Store and have received the same good results."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Feltman had. Foster-Milburn Co., Props., Buffalo, N. Y. (adv)

HAD WILHELM FALLEN.

The Kaiser and Field Marshal Hindenburg, it is reported, were in a railroad station in Ghent, Belgium, when Entente airmen bombarded it.

If the Kaiser had been killed what would the effect on the war have been? There is a general belief that if the life of the Emperor of Germany should end, by his being killed in his boots or by dying in bed, the war would come to a conclusion upon terms dictated by the Allies.

If that should be the eventuation what a boon to the world it would be if one of the Entente airmen should succeed in killing the greatest murderer of modern or ancient times. It might be worth while to deploy 100 airmen over the vicinity of the Kaiser's temporary headquarters with instructions to do their best to land a bomb upon the imperial helmet.—State Journal.

For Rent.

SHORT HORN BREEDERS TO HOLD FALL SALE.

The Kentucky Shorthorn Breeders' Association met Tuesday morning in the Security Trust Company building, in Lexington, and decided to hold a sale in Lexington this fall. The definite date was not decided upon, a committee composed of Horace Gay, chairman; Asa H. Jewell, Oscar M. Johnson and R. T. Judy, being authorized to select the most available time between October 20 and November 1. Other details of the sale are also to be left with the committee.

A show of cattle entered in the sale will be held to stimulate the owners to have them in good condition. Entries to the sale will close September 1. Fifty-one head were pledged at Tuesday's meeting for the first sale. The committee will meet with the Board of Directors Tuesday, July 31, and report what they have done towards getting the sale started. T. H. Pickrell, Carlisle; E. P. Woods, Stanford; T. J. Bigstaff, Mt. Sterling; C. F. Troutman, Nicholasville; J. W. Simpson, Nicholasville; A. H. Jewell, Lexington; W. S. Earlywine, Carlisle; C. S. Bascom, Jr., Millersburg, and I. C. Smith, Campbellsville, joined the association.

MUST START FROM GROUND UP.

Discharge of about seventy-five candidates for commissions from the reserve officers' training camp at Ft. Benj. Harrison, was recommended because their Captains did not believe they showed, in making out cards for draft registration, proper spirit for officers of the United States Army.

Exemptions were claimed on grounds that the men were married, were physically disabled or were under military age. The Captain of one company told the men one by one that, unless they were willing to serve as privates they were not wanted as commissioned officers.

ROOTS AND BARK ANCIENT REMEDY

Our Grandfathers Used Them In Crude Form.

CHIEF INGREDIENTS OF TONIC

Our grandfathers and great-grandfathers knew the medicinal values of roots, barks, flowers and berries. Their medicinal qualities are the same now as they were a hundred years ago, but the scientific process of treating them has been improved.

In former times the herbs were brewed into teas. Today modern laboratories make a vastly superior product. Tanlac is a preparation of roots, barks and berries subjected to a process that extracts their medicinal virtues in concentrated form. It is especially designed to build up run down people. It has helped thousands who were suffering from disordered stomachs, liver and kidneys.

George R. Kelly, a mail carrier of New Hope, Ky., is one of the thousands in the Blue Grass State who have endorsed Tanlac. Here is what he has to say about this wonderful tonic: "I had trouble with my stomach and bowels. After eating I had cramps. I lost my appetite and got so I hated to eat anything. I felt bad all over. My tongue was coated and I had a bad taste in my mouth."

"Nothing helped me before I started taking Tanlac. I took three bottles and by that time I could eat anything without having cramps. I am feeling fine now. Tanlac helped me from the start and I have recommended it to many of my friends."

If you are not feeling right get Tanlac today.

Tanlac can now be bought here from Varden & Son.

REMARKABLE FUND FOR LIBERTY LOAN.

At the Grand Council of the Iowa United Commercial Travelers, sixteen years ago, F. W. Houck, of Sheldon, Iowa, lost his wallet and his friends, as a practical joke, instructed all the banks not to cash a draft for him. A fund was raised for this purpose, but in the meantime Houck had succeeded in cashing his draft. Then the "shave fund" was turned into the treasury and has been maintained by annual contributions of a penny from each member. It has passed the \$3,000 mark and a few days ago the council voted to invest the fund in the Liberty Loan.

SOUR STOMACH.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion. (adv-june)

SENSIBLE CHANGES.

In addition to improving very greatly the two papers he recently bought in Richmond, Mr. Shelton M. Sauley is making other and sensible changes. For instance, he says:

"We drop the use of the 'hyphenate' Climax-Madisonian to-day and go back to the old name, 'The Richmond Climax,' under which this paper was so ably conducted for many years in the past. . . . We hope to get away from the large blanket-size sheet very soon; and to be able to work out other improvements as fast as possible."

The shortening of the name is a decided improvement, and the abandonment of the blanket-sheet so long characteristic of Richmond papers will even be more acceptable, no doubt, to Mr. Sauley's constituents.

KENTUCKIAN PROTESTS TAX ON PRESS ADVERTISING.

A protest against the two percent special advertising tax, tentatively written into the war tax bill by the Senate Finance Committee, was made at Washington, Tuesday, by Urey Woodson, of Kentucky, representing the Inland Daily Press Association, comprising newspapers printed in cities of 10,000 to 50,000 in ten central Western States.

The committee is reconsidering its provision to substitute the flat advertising tax for the zone system increases of second class mail rates of the bill as it passed the House.

WHOOPIING COUGH.

In this disease it is important that the cough be kept loose and expectation easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. J. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough. I gave them Chamberlain's Cough Remedy, and it worked like a charm." (adv-june)

FREE PAMPHLET ON TUBERCULOSIS PREVENTION.

The Secretary of the Kentucky Board of Tuberculosis Commissioners at Frankfort will mail to any physician, health officer or consumptive family a free copy of a pamphlet on the home cure of tuberculosis, which will be found of great value. The mission of the board is to aid, not supplant the physician, with whom it wants to work in helpful accord.

Fresh, pure air is one of the most important things in the treatment of consumption and therefore sleeping porches for every home are highly recommended by authorities on the disease. If not already built with the house they can be constructed to any window at a very small cost. Write to the Tuberculosis Commission at Frankfort for more minute particulars.
